Academy for Civil Services Pvt. Ltd.

CREATING CIVIL SERVANTS FOR THE NATION

## ADMISSION PROSPECTUS FOR **WBCS 2026-27**

## Director's Desk

Welcome to Academy for Civil Services- Eastern India's premier coaching Institution for Civil Services.

The examination is one of the most prestigious examinations which draws the attention of thousands of students every year and getting through the examination is the coveted and most cherished dream of many. Every year lakhs of candidates appear in the WBCS, however, only a few hundred make it to the final list. The reason behind this is that WBCS, through its various stages and rigorous screening process tests the suitability of the candidate for the top-ranking positions in West Bengal bureaucracy.

After years of research, analysis and relentless efforts the Institute has developed a holistic, all-encompassing course structure and teaching methodology that synchronizes with the demands of the current pattern of WBCS examination.

I am delighted to share with you that Academy for Civil Services is the first Institute to buck the trend. With the able guidance of our distinguished faculty ex-WBCS members, our meticulously designed course has helped thousands of candidates in realizing the dream of joining the most reputed services in our state. The unprecedented success in recent years, WBCS –2020-2023 has rightly reinstated the position of **APTI PLUS** Academy for Civil Services Pvt. Ltd as the Best Coaching Institution in West Bengal. In WBCS 2023, **APTI PLUS** set new benchmarks with 35+ selections including the top rankers rank- 1, 3, 9, 10, 11 etc..

**Dr. Susijit Sahoo**  
 CMD

I would like to accentuate that as Civil Servants you will have the opportunity to changes millions of lives every day. India is a great country with vast resources and unmatched diversity. However, lopsided development has pushed the poverty-stricken, downtrodden and marginalized sections of the society to the edge thereby widening the gap between the developed and the underdeveloped world.

I would like to reiterate that the core values of Determination, Honesty, Authenticity, Integrity, Devotion, Humanism, Holistic Learning, Social Ethics, and concern for society & environment are all closely interwoven into the fiber of our academic programs. I urge you to realize your potential by making the best use of the transformative education imparted by our premier Institute and join the Civil Services with utmost sincerity, integrity and conviction to serve the people of India and bridge the gulf between the two unequal worlds. With the aim to transform each one of you into able administrators, I welcome you to the Institute, where your commitment will be integrated with our years of experience to guide you in realizing your aspirations.

Wish you all the best in your future endeavors!
